

BRIOCHES IN EQUILIBRIO

- Un cameriere vuole portare su un vassoio 5 cornetti impacchettati ma teme di farli cadere a terra. Puoi aiutarlo compilando la tabella?

Osserva come sono disposti i 5 cornetti sul vassoio.	Osserva il punto in cui il cameriere ha messo la mano per sostenere il vassoio.	Secondo te nel caso rappresentato le brioches stanno in equilibrio? Perché?
		
		
		
		
		

CONOSCERE QUAL È IL BARICENTRO E QUAL È LA SUA FUNZIONE.
