LET'S MAKE A REINDEER!

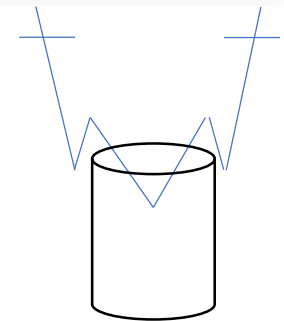

Items you need:

- Toilet paper or paper towel rolls
- Pompons or cotton balls
- Funny 'googly' eyes
- Pipe cleaners (Chenille stems)
- Water colour paints
- Markers
- Glue
- Scissors

LET'S MAKE A REINDEER

Steps for a perfect reindeer:

1. Cut the paper rolls (toilet paper rolls are already the perfect size).
2. Paint the roll brown with the water colours.
3. When the paint dries, glue the eyes and pompon nose.
4. Use a marker to draw the mouth.
5. Use the water colours to draw a scarf, shirt, necklace or whatever you want!
6. For the antlers:
Fold the pipe cleaner in half like a 'V' and insert it in the top of the reindeer roll. Bend the pipe cleaner over the edges of the roll and then fold up. Cross a small piece of pipe cleaner on top of the antlers and twist.
