• **Scheda per l'insegnante:** proponiamo ai bambini il ciclo vitale delle piante attraverso la storia a vignette del personaggio Seedie.

It's cold. *Seedie* goes to sleep in the soil.

It's warm now. *Seedie* wakes up and puts out a root and a little sprout.

In summer *Seedie* grows and puts out many leaves, flowers and fruits.

It's autumn now and *Seedie* becomes... a *Mummy Pumpkin* full of new seeds!
