I'M REALLY
HAPPY 😊

I'M OK 😊

I'M A BIT
TIRED 😴

IN OUR CLASS...

No one stays away

Red and yellow, green and blue,
Every colour, me and you.
Pink and orange, white and gold,
Many colours, bright and bold.

 On this day, we can say...   

Every colour, every friend
All together, hand in hand
Laugh and sing, it's Easter day
No one stays away

Dots and lines, stars that shine,
Different hearts, yours and mine.

 On this day, we can say...   

Every colour, every friend
All together, hand in hand
Laugh and sing, it's Easter day
No one stays away

One by one, colours grow
♥ Share a smile, let it show

Every colour, every friend
All together, hand in hand
Laugh and sing, it's Easter day
No one stays away

NO ONE STAYS AWAY
