MAY DAY

• Look and read.

On the first day of May people celebrate the coming of Summer. May Day festival origins in the Roman celebrations of Flora, goddess of fruit and flowers. For the celebrations people cut down a young tree and put it in the ground for the Maypole Dancing: children dance around the pole with ribbons of different colours and decorate it. Many English villages still have a Maypole, and on May 1st, the villagers dance around it.

• Now read and circle true (T) or false (F).

1. May Day is on July 1st.
2. People celebrate the coming of Summer.
