- **Scheda per l'insegnante:** introduciamo il dinosauro, animale da compagnia, di *Muffy*.

*Muffy* goes out exploring.  
Bye bye, Mummy!

She finds something strange:  
a big oval thing. What is it?

It's an egg! *Muffy* decides to  
take it home with her.

She takes it to her cave and  
hides it in a dark corner.

One day... the egg hatches  
and... a baby dinosaur  
comes out!

*Muffy* is very happy.  
Now she has got a pet!
